IMAARISHASRHR · FIELD GUIDE · ILLUSTRATION SLOT SHEET

Where every illustration lands

One sheet mapping each image slot in the **Strategic Comms & Reframing Field Guide** to the asset it reuses from the Illustrator Brief Pack & Addendum. Name/export each file to its **Slot ID**. Almost none of these need new origination — they are the same poses, plates, icons and end-card the five-film slate already builds once.

TIER 1 — VISIBLE TRANSFORMATION The 9 scenes + 10 character portraits + end-card. Ship these first.

TIER 2 — POLISH Tool icons/devices + optional motion loops.

A · Narrative scenes — 9 slots · landscape

Delivery: flattened PNG (RGB) + layered source. Leave clean space in the lower third for the caption band. ★ = full composition brief already exists in the Brief Pack.

SLOT ID	PLACEMENT	WHAT IT SHOWS	MAPS TO BRIEF	EXPORT SIZE
HERO	Hero — top of guide	"The family together" (★ cast-page group portrait): compound at dusk — Beth at sufuria, Agneta beside her, Tom & Silas with a phone, Grace in doorway, Cucu as framed photo.	Brief Pack ★ The family together	1600×700 (16:7)
SCN-M1	Module 1 · The System	"One girl, four forces" (★): Agneta centre, four vignettes leaning in — kitchen, glowing phone, rights-poster + Tom, pulpit silhouette.	Brief Pack ★ One girl, four forces	1600×700
SCN-M2	Module 2 · Disinformation	Uncle Silas & Beth lit by a phone — a "forwarded as received 🙏" cancer-myth bubble (stylised, no real logo).	Shot list + Silas/Beth sheets	1600×700
SCN-M3	Module 3 · Culture & Patriarchy	Mama Grace & Tom: Tom finds Grace's hidden pills — the cost of her choice made visible. Tense, not cruel.	Shot list + Grace/Tom sheets	1600×700
SCN-M4	Module 4 · Reframing	Nurse Charity to-camera, rebuilding the same facts for Tom vs Beth — the trusted clinician.	Charity sheet (trust anchor)	1600×700
SCN-M5	Module 5 · What Works	The community corner: Charity's youth desk, Kevo's Sheng clip, Rev. Willis turned ally, Brenda telling her story.	Shot list ensemble	1600×700
SCN-M6	Module 6 · Operating System	The team around one table, mid-conversation, a shared habits board behind them — a weekly routine, not a document in a drawer. (Single focus; the five habits live in the icons + text.)	Shot list (team beat)	1600×700
SCN-M7	Module 7 · Mother & Aunty I	The kitchen (★): Beth at the sufuria, Agneta beside her mid-question. Intimacy & love, warm lamplight, steam. Recurs whenever Beth speaks.	Brief Pack ★ The kitchen	1600×700
SCN-M8	Module 8 · Mother & Aunty II	Beth's arc: gatekeeper → champion. Feeds the module's interactive pathway (see Beth 5-panel strip).	Brief Pack ★ Beth 5-panel strip	1600×700 + 5-panel strip 2400×600

B · Character portraits — ~10 slots · replace the letter-tiles

Delivery: transparent PNG, one clean to-camera pose each (from the ~22-pose library). Square crop, head & shoulders. Keep each character's anchor feature identical everywhere.

SLOT ID	CHARACTER	POSE / NOTE (512×512 TRANSPARENT)
CHR-AGNETA	Agneta — 17	Open, earnest to-camera. Reads unmistakably as a schoolgirl; never sexualised.
CHR-BETH	Aunty Beth — 52	Warm; head-wrap + glasses-cord anchor (keep identical across the arc).
CHR-GRACE	Mama Grace — 44	Calm, capable, tired; warm-at-the-table variant.
CHR-TOM	Baba Tom — 50	Stern but not cruel; relaxed mid-nod variant for the bench beat.

SLOT ID	CHARACTER	POSE / NOTE (512×512 TRANSPARENT)
CHR-SILAS	Uncle Silas — 39	Devout; anxious (phone-lit) and calm/settled variants.
CHR-WILLIS	Rev. Willis — 55	The pastor — a risk, and the strongest ally when engaged well.
CHR-CHARITY	Nurse Charity — 34	Identical everywhere — the credibility anchor. Needs blink variant.
CHR-KEVO	Kevo — 22	Sheng TikTok creator / podcast co-host; shrug + host poses.
CHR-BRENDA	Brenda — 19	Quiet strength, agency — never shame or spectacle. Blink variant.
CHR-CUCU	Cucu (Grandmother)	Homa Bay matriarch; appears mainly as the framed photo.

C · Tool icons & devices — ~10 slots · one per interactive tool

Delivery: SVG preferred (or 256×256 transparent PNG). These sit inside the live tools in each module — reuse the Addendum icon/device + template set.

SLOT ID	WHERE IT SITS	DEVICE
ICN-M1-GEARS	M1 tool · Map the Machine	Four interlocking gears (patriarchy / culture / religion / disinfo).
ICN-M2-FALSE	M2 tool · Spot the signs	Bold single-colour "FALSE" stamp.
ICN-M2-PCA	M2 tool	Pause · Check · Ask — one small icon per reflex word.
ICN-M2-BUBBLE	M2 scene/tool	Stylised chat bubble (invented, no real platform mark).
ICN-M3-HANDS	M3 tool · Cost her decision	Hands-meeting 'decide together' motif.
ICN-M3-SWAP	M3 tool	Method-swap icon (switch method).
ICN-M4-3Q	M4 tool · Reframing Worksheet	The 3-question card: Who's saying it? · Qualified? · Trusted agreement?
ICN-M5-SRC	M5 tool · Channel matrix	Three source icons — clinic, verified-badge, doorstep/CHP.
ICN-M6-HABIT	M6 tool · Five Habits	Five small icons, one per habit: 1 listening rota — ear/radar over a phone; 2 message library — tagged card stack; 3 trusted-messenger map — linked people-nodes; 4 30-sec framing check — stopwatch over a speech bubble; 5 monthly review — calendar / recurring-arrow loop.
ICN-M8-MF	M8 tool	Two versions of the same card: a dull grey “myth” card that turns warm and coloured as it flips to the “fact” — the false line being replaced by the true one.

D · Brand & structure — 4 slots

SLOT ID	PLACEMENT	WHAT IT IS	MAPS TO	EXPORT SIZE
END-CARD	Guide footer + PWA splash	Logo mark · @handle · tagline — identical to the five-film end-card.	Addendum end-card	1200×1200
PLATE-KITCHEN	Section band	Dawn compound kitchen plate (warm golden interior).	Addendum plates	1600×500
PLATE-CLINIC	Section band	Warm clinic corner (friendly, never clinical).	Addendum plates	1600×500
PLATE-DOORSTEP	Section band	Home doorstep for CHP / reach beats.	Addendum plates	1600×500

E · Motion loops — optional · offline-light, prefers-reduced-motion honoured

These are “living pictures” — a normal still illustration with just one small thing moving, on a gentle loop. Hand over as a short silent looping clip (MP4 or WebM) or an animated PNG. Optional throughout, and the motion automatically switches off for anyone who prefers reduced animation.

SLOT ID	WHERE	LOOP	EXPORT SIZE
LOOP-STEAM	Hero (optional)	The hero picture stays still, but steam keeps rising off the pot — like a photo that quietly moves. Only the steam animates.	1600×700
LOOP-BLINK	Hero / Charity / Brenda	A character's face blinks slowly and breathes, so a still portrait feels alive and listening. Needs one extra drawing of the same face with the eyes closed.	512×512
LOOP-CURTAIN	Hero	A curtain or hanging cloth sways gently in the hero scene while everything else holds still.	1600×700
LOOP-GLOW	M2 phone beats	A soft light flickers on a face from a phone screen — bluish for the scary forward, warm gold for the true one.	512×512
